

3 Linda and the Pram

Jim has a sister. His sister is Linda.

His sister lives in the flat with him.

Jim is fond of his sister.

Linda helps her Mum a lot in the flat.

Linda often dusts in the flat.

Cliff, from the gang, lives in the flats.

Cliff's Mum has a baby.

Cliff's Mum is ill in bed with a bad back and Jim's Mum is giving a helping hand.

Linda helps as well.

Jim's Mum is at the sink as Linda dusts.

Cliff's Mum has a baby.

The baby, Tim, is yelling a lot as Linda dusts.

Cliff's Mum is upset that Tim is not at the park in the sun.

Linda's Mum tells Cliff's Mum that Linda will take Tim for a stroll in the park in his pram.

Cliff's Mum can trust Linda with Tim and the pram.

Linda lifts Tim from his cot and sits him in the pram.

Tim stops yelling and grins.

As Linda sets off on the trip to the park, Gus, Jim's dog, runs up and trots with the pram.

Linda yells at Gus, "Back, Gus! Bad dog!"

Gus runs off.

But then Gus slinks back and still trots with the pram.

Linda just cannot get rid of Gus.

On the common Linda has fun with Tim.

The baby is grinning and kicking its legs.

As he kicks, he slips to the end of the pram.

Linda picks Tim up, hugs him and sits him up.

Then, as the sun is hot, Linda sits on a hill to have a rest.

Linda has a comic.

It is in the pram bag.

Linda slipped it in the bag, back at the flat.

Gus hunts rats at the windmill as Linda rests.

The pram slips a bit, but Linda, intent on the comic, has not spotted this.

Then, with Linda still intent on the comic, the pram runs off down the hill.

At the bottom of the hill the park ends.

A lot of traffic runs along the end of the park.

Will the pram run into the traffic ?

Gus spots the pram running down the hill and yelps.

Linda jumps up, sees the pram and yells, "Help!"

Can Linda stop the pram from running into the traffic?

Linda runs down the hill.

The pram runs down the hill and hits a bump on the track.

Can Linda get to it?

The pram stops just a second as it hits the

bump, and then runs on.

Then Gus runs up to the pram.

Can Gus stop it?

The pram twists on the track and hits him.

Gus runs off yelping.

Linda still cannot get to the pram.

It will run into the traffic.

Linda is in a panic.

Back at the flats Jim misses Gus and runs to the park to get him.

As Jim gets to the bottom of the hill the yelping attracts him.

Jim runs to get Gus and then stops as he spots the pram running down the hill at him.

As the pram gets up to him Jim flings himself at it, and hangs on until it stops.

Linda runs up panting and picks Tim up.

Linda hugs him, but Tim is not upset.

In fact he is grinning.

The trip down the hill is fun.

Linda kisses Tim and sits him back in the pram.

Jim helps Linda back to the flats with the pram.

Cliff's Mum is glad that Tim is back, but not as glad as Linda is.

Linda is glad that Gus went with them.

Tim is glad and is grinning.
